

RIHEMHASSOUNA

Full-Stack Developer | Spring Boot | React | Next.js | TypeScript

Full-Stack Developer with 7+ years of experience building scalable, secure, and high-performance web applications. Strong expertise in Spring Boot, React.js / Next.js, TypeScript, and RESTful APIs. Experienced in ERP systems, database optimization, authentication & authorization (JWT, Spring Security), and Agile environments. Passionate about clean code, performance, and delivering reliable solutions.

WORK EXPERIENCE

GETS Company
JAN 2024 - PRESENT

Full-Stack Developer-Sfax,Tunis

- Designed and developed a modular ERP system (Finance, HR, Payroll, Projects) using Spring Boot and Next.js.
- Implemented secure REST APIs with Spring Boot and PostgreSQL.
- Developed dynamic TypeScript-based components (forms, tables, filters, pagination).
- Integrated authentication and authorization using JWT and Spring Security.
- Optimized API response times and database performance through SQL query optimization, indexing, and efficient data modeling.
- Collaborated closely with UX and QA teams to ensure high-quality UI and usability.
- Participated in code reviews, technical discussions, and Agile sprint planning.
- Assisted with deployment and environment configuration for staging and production.

Glocal IT Solutions
JUL 2018 - JUL 2023

Full-Stack Developer-Mahdia,Tunisie

- Developed modern front-end applications using React.js, HTML5, CSS3, and JavaScript.
- Built backend services using PHP and MySQL for high-volume systems.
